## City of KENMORE

KENMORE CITY COUNCIL 2018  
Back row: Brent Smith, Joe Marshall, Deputy Mayor Nigel Herbig and Milton Curtis  
Front row: Stacey Denuski, Mayor David Baker and Debra Srebnik

The city of Kenmore operates under a council-manager form of government. In this form, the elected seven-member City Council appoints a city manager to provide management direction of all city departments and activities in accordance with council policies and direction. The council is responsible for establishing city policies; enacting and amending city

laws; adopting the biennial budget and appointing citizen boards and commissions.

Councilmembers serve staggered four-year terms. All councilmembers are "at-large" meaning they serve the city as a whole as opposed to a specific district. The council selects one of its members to serve as mayor and a second as deputy mayor for

two-year terms.

The council typically meets for a regular meeting on the second, third and fourth Mondays of the month. Meetings are held at the City Hall Council Chambers, 18120 68th Ave. NE, and begin at 7 p.m.

City Council agendas are available to the public from the city clerk's office the Friday prior to the Monday meeting and are posted on the iCompass File Pro website. Agendas are also posted at Kenmore City Hall, Northshore Fire Department and Kenmore Library. Copies are also available at council meetings. Meetings are open to the public, and public comments are accepted at the beginning of regular, non-study session meetings.

In addition, Coffee with Council is typically held at 7:30 a.m. the first Monday of the month and at 8 a.m. the third Saturday of each month at Diva Espresso located inside the Hangar, 6728 NE 181st St. Residents can ask questions, discuss issues and offer suggestions on any topic of interest. Check the city calendar at [kenmorewa.gov/calendar](http://kenmorewa.gov/calendar) for the most current "Coffee with Council" dates and times.

## *Bothell Kenmore* **CHAMBER OF COMMERCE**

The Bothell Kenmore Chamber of Commerce is a nonprofit membership-based organization that unites businesses, the community and city government in an effort to promote regional economic prosperity.

The chamber offers a number of opportunities to connect with other business and community representatives and build relationships. Events are held at varying times and days to accommodate all schedules, including: Morning meetings with networking opportunities, informative luncheon presentations, after work socials and committees focused on different aspects of chamber business.

Committees work to ensure the needs of chamber members are met and to encourage smaller group interaction.

The chamber is also the official Bothell Visitor Center and assists hundreds of interested people visiting and moving to Bothell. They are

located at 10120 Main Street, Suite 201, in Bothell (in the Mills Building above Music & Arts).

This year, the chamber was re-branded to include and officially represent the city of Kenmore as it has served businesses in the city for many years. A partnership was created in 2012 between the city and business leaders, which allowed the chamber to expand into the city.

The re-branding formalizes the partnership between businesses in both communities.

The chamber now represents more than 350 businesses, with members from 17 cities.

"It is an exciting time in Bothell and Kenmore. We are looking forward to expanding our membership to create even greater opportunities for connections and collaboration," chamber executive director Brittany Caldwell said following the official rebranding.

# NORTHSHORE SCHOOL DISTRICT

The Northshore School District (NSD) proudly provides a world-class public education to the greater Bothell and Kenmore communities. Covering 60-square miles, NSD comprises the cities of Bothell, Kenmore and Woodinville, as well as unincorporated areas of King and Snohomish counties. From a district population of more than 125,000 people, NSD serves more than 22,000 students in its 33 schools. With more than 2,100 employees, Northshore is the second-largest regional employer, and those employees by and large live, work and reinvest directly in the local economy.

NSD is governed by a five-member elected school board. The board sets the goals and direction of the district, adopts policy and hires and supervises the superintendent to administer district programs and operations.

Superintendent Dr. Michelle Reid was unanimously selected by the district board in June 2016 following a national search.

She was formerly the superintendent of South Kitsap School District. And

prior to that, she served as deputy superintendent, district athletic director and high school principal in the Port Angeles School District.

Since fall 2017, Northshore has been engaged in significant transitions to accommodate growth and enhance its academic programs and student supports.

NSD opened a fourth comprehensive high school, North Creek, redrawing some school boundaries accordingly. The district also shifted from grades 7-9 junior high schools to grades 6-8 middle schools. Ninth-graders are now at the high schools.

A variety of Northshore programs help students find a path to success, including pre-school, full-day kindergarten, advanced coursework at the elementary and middle levels, exceptional fine and performing arts programs and a wide range of sports and activities. At the high school level, they offer Advanced Placement, International Baccalaureate, College in the High School, Tech Prep and Running Start.
